Jungle Joe 2™

Description Multi-use playstation for up to ten people.

Specifications 12'L x 12'W x 12'H

There's a new King of the Jungle! Completely redesigned for 2012, Jungle Joe™ II is a huge, multi-tiered climbing structure and playstation. A visually stunning piece that will attract guests like bees to pollen. Multiple zones inspire creative free-play and captivate users. The modular nature of the Interloc™ system makes it easy to take advantage of diverse traffic patterns and connect additional items for even more intrigue and guest capacity.

Jungle Joe™ 2 is an Incredible, towering climbing structure and slide. Pyramidal walls provide a safe, yet formidable climbing challenge. Interior mesh floors create splash zones and multi-level terraces for exploration. Provides unlimited options for sliding, climbing, jumping, Blasting and obstacle-type challenges for all ages. Add virtually any Platinum™ accessory at up to three stations using Interloc™ system. Accommodates up to ten users.

Jungle Joe 2™ Technical Features

Duratex™

Commercial grade fabric reinforced PVC material.

Ideally suited for watersports, Duratex™ material is the finest, commercial grade fabric reinforced PVC available. Each Aquaglide Platinum item uses Duratex™ material for maximum strength and durability. The Jungle Joe 2™ incorporates 1000d fabric fused with layers of 28 oz PVC.

HA Weld™

Hot air-welded seams for high quality and outstanding durability.

'HA' or Hot Air Welding is the process used to fuse Duratex™ material seams for years of trouble-free use. HA welding produces clean, strong seams with no unsightly glue marks or splits.

Interloc™

Heavy duty stainless fittings and convenient Interloc straps for modular use.

Aquaglide Platinum items connect to one another using the Interloc™ system. Soft webbing offers some flexibility, while remaining tough enough for years of service.

Only Interloc™ blends the convenience of a cinch with the security of a locking connection.

3 Year

Limited Warranty against any and all manufacturing defects.

Each Aquaglide Platinum™ item offers a warranty covering any and all manufacturing defects for an extended period of time. The Jungle Joe 2™ includes a 3 Year warranty for recreational use, a 1 year warranty for commercial use.

UV Block™

Materials specially treated for high resistance to the sun's damaging rays.

Each Aquaglide Platinum item is treated with UV Block™, the highest grade 3-year UV coating available.

While we recommend periodic maintenance with additional UV coatings, there is no substitute for having UV Block™ incorporated into the material right from the start.

UV Block™, for years of trouble-free use.
