

# Aquaglide

Retro2™

**Description** 2 person deck towable with high back surround and side wings. Tows forward or backward.

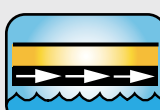

**Specifications** 70"L x 72"W x 29"H

One of our premium towables, the Retro™ is a hot rod for the water! Retro2™ offers roadster-style performance for 1 or 2 people. Low deck seating keeps center of gravity low and built-in side wings help maintain fast-sliding stability even in the roughest of conditions. Comfortable shoulder height surround keeps riders secure no matter how extreme the conditions. Looking for even more action? Turn the Retro2™ around and ride chariot-style for a more active approach!

Made using heavy duty 26 gauge PVC bladders covered in a combination of 600d polyester and 840d nylon for the best combination of strength, durability, performance and style. Includes heavy duty webbing reinforcement at front and back towing eyes, and a QuickConnect Tow attachment at the front.

## Retro2™ Features

 <p><b>Rapid Inflate Valve</b> This unique valve system offers the best possible combination of high air volume and ease of use.</p>	 <p><b>1 Year</b> Aquaglide towables are the best in the business. We proudly offer a 1 Year warranty against manufacturing defects.</p>
 <p><b>QuickConnect Towing Attachment</b> Makes connecting to the tow rope extremely quick, easy and safe.</p>	 <p><b>EVA Rash Guard</b> Soft, forgiving protection against abrasion provided for knees, knuckles and other sensitive areas.</p>
 <p><b>FullWrap Cover</b> Offers the security and stability of a heavy duty cover wrapping completely around the inflatable for higher performance.</p>	 <p><b>SpeedSkin Base</b> A specially coated fabric used on the sliding base to enhance speed and reduce friction.</p>
 <p><b>Lower Back Support</b> Great for higher performance towing and also for lounging.</p>	 <p><b>UltraWing</b> Features beveled side wings for maximum stability and performance over waves and wakes.</p>
 <p><b>2Way Towing</b> A versatile feature that allows towing from the front or the back.</p>
