

Aquaglide

Retro3™

Description 3 person deck towable with high seat surround and side wings. Tows forward or backward.

Specifications 84"L x 95.5"W x 29"H

One of our premium towables, the Retro™ is a hot rod for the water! Retro3™ offers roadster-style performance for up to 3 people. Low deck seating keeps center of gravity low and built-in side wings help maintain fast-sliding stability even in the roughest of conditions. Comfortable shoulder height surround keeps riders secure no matter how extreme the conditions. Looking for even more action? Turn the Retro3™ around and ride chariot-style for a more active approach!

The newly updated 2010 Retro3™ uses heavy duty 26 gauge PVC bladders covered in 840d nylon for the best combination of strength, durability, performance and style. Includes heavy duty webbing reinforcement at front and back towing eyes, and a QuickConnect Tow attachment at the front.

Retro3™ Features

Rapid Inflate Valve

This unique valve system offers the best possible combination of high air volume and ease of use.

1 Year

Aquaglide towables are the best in the business. We proudly offer a 1 Year warranty against manufacturing defects.

QuickConnect Towing Attachment

Makes connecting to the tow rope extremely quick, easy and safe.

EVA Rash Guard

Soft, forgiving protection against abrasion provided for knees, knuckles and other sensitive areas.

FullWrap Cover

Offers the security and stability of a heavy duty cover wrapping completely around the inflatable for higher performance.

2Way Towing

A versatile feature that allows towing from the front or the back.

Lower Back Support

Great for higher performance towing and also for lounging.

UltraWing

Features beveled side wings for maximum stability and performance over waves and wakes.
